Funds Availability Policy Disclosure

This Disclosure describes your ability to withdraw funds at Meadowland Credit Union. It only applies to the availability of funds in transaction accounts. The Credit Union reserves the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.

- When a deposit is made to your account, the funds may not be available immediately. For example, if you deposit a check on Monday, you may not be able to withdraw the funds from that check, and we may not pay another check with those funds, until Tuesday.
- When a deposit is made by electronic deposit, wire transfer or cash, the deposited funds are available the same business day.
- When a deposit is made by check, the deposited funds may be available the next business day.
- A business day is any day of the week except Saturday, Sunday and Federal Holidays. A deposit made before 5:30 PM is considered deposited that day. A deposit made after that time, or on a day we are closed is considered deposited the next business day.
- We may cash a check or make a deposit available immediately if you have the funds to cover that check in any of your accounts with us. If we do, we may hold those funds (equal to the amount of the check) in your other account(s) according to the timelines described elsewhere in this policy. If you withdraw the funds from a check deposit, and the check is later returned unpaid, we may charge the check back to your account.

LONGER DELAY MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check that you deposit, funds may not be available until the seventh business day after the day of the deposit. However, the first \$200.00 of your deposits will be available the next business day.

If we are not going to make all of the funds from your deposit available immediately, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- You are depositing to a new account;
- We believe a check you deposit will not be paid;
- You deposit checks totaling more than \$5,000.00 on any one day;
- You redeposit a check that has been returned unpaid;
- You have overdrawn your account repeatedly in the last 6 months; or
- There is an emergency, such as a failure of communication or computer equipment.

In Case of Errors or Questions about Your Electronic Transfers Involving Consumer Accounts

Call us at (920) 467-8105 or write to us at: Meadowland Credit Union, P.O. Box 133, 1040 N. Main St, Sheboygan Falls, WI 53085 as soon as you can, if you think your statement is wrong or if you need more information about an electronic transfer covered by this Agreement which is listed on the statement.

We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared. (1) Tell us your name and account number (if any). (2) Describe the error or transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing so that we receive it within ten (10) business days. We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly.

If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we are not required to provisionally credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to provisionally credit your account for the amount you think is in error. Your account

is considered a new account for the first thirty (30) days after the first deposit is made, unless you already had an established account with us before this account was opened.

When the investigation is completed, we will make any necessary or appropriate adjustments to your account. We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error or the error was different than you described, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Electronic Funds Transfer Disclosure

a. Consumer Liability.

(Tell us AT ONCE if you believe your debit card or code (PIN) has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft protection). If you tell us within 2 business days after you learn of the loss or theft of your card or code, you can lose no more than \$50 if someone used your card or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card or code, and we can prove we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

b. Contact in event of unauthorized transfer. If you believe your card or code has been lost or stolen, call: (920) 467-8105 or write: Meadowland Credit Union, P.O. Box 133, 1040 North Main Street, Sheboygan Falls, WI 53085.

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

 2. **Foreign Transaction Fees.** When you use your Debit Card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by MasterCard, from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate MasterCard itself receives; or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

MasterCard will charge a fee (currently 3%) based on the transaction amount for transactions with merchants located outside the U.S., even if currency is not converted; and we pass this transaction fee on to you. An international transaction is a transaction where the country of the merchant is outside the United States. Some transactions, even if you and/or the merchant are located in the U.S., are considered foreign transactions under the applicable MasterCard rules, in which case we will charge the foreign fee described above to those transactions. We do not control how these merchants and transactions are classified for this purpose.
- f. **Confidentiality.**
We will disclose information to third parties about your account or the transfers you make:
- i. Where it is necessary for completing transfers, or
 - ii. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or

You can call us at (920) 467-8105 to find out whether or not the deposit has been made.
3. **Periodic Statements.** You will get a monthly account statement unless there are no transfers in a particular month. In any case you will get the statement at least quarterly.

If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you \$25.00 for each stop-payment order you give.

2. **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be.
3. **Liability for Failure to Stop Payment of Preauthorized Transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

i. **Financial Institution's Liability.**

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your account to make the transfer;
2. If the transfer would go over the credit limit on your overdraft line;
3. If the automated teller machine where you are making the transfer does not have enough cash;
4. If the terminal was not working properly and you knew about the breakdown when you started the transfer;
5. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken;
6. If the money in your account is subject to legal process or other claim;
7. If the error was caused by a system of any participating ATM network; or
8. There may be other exceptions stated in our agreement with you.
